RE: Approval of new model numbers RMT-500, RMT-750, RMT-900, RMT-1000E, RMT-1060, RMT-1250 & RMT-1500 from previously approved septic tanks and dosing chambers model numbers.

Dear Mr. Brown,

The Division of Water Resources has received and reviewed your request to approve new model numbers for previously approved septic tanks/dosing chambers. We are pleased to inform you that we are able to approve the referenced septic tanks/dosing chambers provided that they are installed in accordance with the manufacturer's guidelines and specific permit conditions.

Previously approved, corresponding models ST-500, ST-750, ST-900, ST-1000E, ST-1060, ST-1250 & ST-1500 will maintain their approval and may be used until existing stocks are exhausted.

If you have any other questions please contact me at 856-4561.

Sincerely,

A handwritten signature in black ink, appearing to read "James Cassidy".
