RE: Registration of Roth MultiTank (aka Fralo Septech HDPE) Septic Tank

Dear Mr. Stowe:

The Mississippi State Department of Health is in receipt of your request for registration. Since this product was previously registered no further review will be necessary at this time. You will need to provide the Department with electronic drawings of each product that will be registered in the State of Mississippi.

These products are as follows:

RMT – 750
RMT – 1060
RMT - 1250
RMT – 1500

Please provide the Department with the location and method of identifying each of your products with the Mississippi registration number 97. Also, will this product be used by other manufactures allowing it to be used an integrated part of their wastewater disposal system. This request will be made again, when the registration of this product expires on January 1, 2009. If you have any questions, please contact me at (601) 364 – 2300.

Sincerely,

A handwritten signature in black ink, appearing to read "Eugene Herring".
